

## **Paul's Confession**

### **Romans 7:12-25**

Paul in his letter to the Romans admits that after 25 years of knowing Jesus Christ as his Savior, he still struggles with sin.

As a believer do you still struggle with sin?

### **Paul's Humble confession reveals to us:**

That problem is not with the Law of God. Romans 7:12-14

That we have no power over sin. Romans 7:15-18

That it is a spiritual war between our sin nature and our new nature (spiritual) in Christ. Romans 7:19-23

That we can have victory over sin with Jesus Christ. Romans 7:24-25

That we will have the same struggle with sin until we leave this mortal body.
