

An Invitation To Dine

Meals are a theme in the Bible:

The **Garden Meal** was an invitation to be nourished by God. (*Genesis 1:29-30 & 2:16-17*)

The **Passover Meal** was an invitation to experience God's redemption. (*Exodus 12*)

The **Jesus Meal** was an invitation to experience the miraculous power and provision of God. (*John 6:1-15*)

The **Lord's Meal** is an invitation for the redeemed to come and be nourished. (*Luke 22:14-20*)

Matthew 26:26-29

Presumptuous- to think or act while failing to observe limits or boundaries.

1 Corinthians 11:17-34

You must be a **follower** of Christ to partake in communion.

You must **understand** what you're doing.

It must be done in a **worthy** manner.

We must **examine** ourselves.

- Look back.
- Look in
- Look around
- Look forward

Communion must be done in **unity**.

- United in a heart of remembrance.
- United in a heart praise.
- United in a heart thanksgiving.
- United in a heart repentance.
