

Grace isn't Fair

Matthew 20:1-16

The Workers Are Hired. (vs. 1-7)

The Workers Are Paid. (vs. 8-10)

The Workers Complain. (vs. 11-12)

The Workers Are Corrected. (vs. 13-16)

Application:

1. This means that those people who consider themselves the most important in the Kingdom of God because of their good deeds will be surprised - this is not how God's grace works.
2. People who come to Christianity later in their lives will still be given the same reward (entry into the Kingdom of Heaven) as those who have been faithful all their lives.
3. "Do I not have the right to do as I please with what is mine?" God is sovereign.
