

## The Simple Gospel

*John 3:17*

You're sick, accept the **cure**. *Whole and clean*

Break off your romantic **relationship** with the dark. *New love*

Abandon the house and **move**. *Abide*

We are spiritually dead and must be **born again**.

God made that **new life** possible for the whole world through Jesus.

You cannot have new life without **Jesus**; there is no other way.

We must **confess** Jesus as LORD and **believe** in our heart that God raised Him from the dead in order to be **saved**.
